Servicemembers are eligible if they:

- Are covered by SGLI in any amount

- Suffer the scheduled loss within 730 days or 2 years from the date of the traumatic event
- Survive seven days from a traumatic event

The Servicemembers' Group Life Insurance Traumatic Injury Protection benefit (TSGLI) is payable for all qualifying injuries incurred during the period October 7, 2001 to November 30, 2005, regardless of the geographic location where they occurred, and regardless of whether the member had SGLI coverage at the time of the injury. The Veterans' Benefit Improvement Act of 2010 removes the requirement that injuries during this period be incurred in Operations Enduring or Iraqi Freedom.

Free Financial Counseling/Planning

Financial counseling/planning services are available to TSGLI beneficiaries at no cost. Once a claim is approved, services must be requested within 2 years from date of TSGLI payment. The service is available for up to two years once initiated. Members can use any or all of the services offered. The Wounded Warrior Regiment encourages Marines and families to take advantage of this free professional financial counseling service.
